

Catnip Mouse Toy

Pattern

Catnip Mouse Toy

What you will need:

Catnip
Polyfill stuffing
Pink felt
Gray felt
Thread to match fabric
Black Button thread
Black Embroidery floss
Hot glue gun, hot glue
9 X 3 Inch piece of fabric
Black Cord 5 1/2 inches
for tail

A 9x3 piece of small print fabric

Sewing Directions:

Copy pattern pieces to cardstock on your printer, and cut each piece out.

Or if preferred print pattern pieces on plain paper and pin to your fabric and cut out 1/4 inch larger for seams.

1.

Fold the fabric piece in half.
right sides together.
Trace around mouse body with pencil.

2.

Cut 5 1/2 inches of black cord
and tie a knot in one end.
Open fabric.
Place tail to right side of fabric where tail
opening is marked. Make sure knot is on left.

3.

Photo shows tail placement on mouse body

4.

Stitch on line for mouse body. making sure the tail cord is tucked up inside body. Back stitch over tail cord. remember to leave opening to turn right side out.

5.

Trim seams around body 1/4 inch. leave opening for turning a little wider.

6.

When done mouse body should look as pictured.

7.

Turn inside out.

8.

Mouse body should look as photo.

9.

Press mouse body.

10.

Stuff mouse with polyfill. moving stuffing to nose end and tail end first, next stuff mid body, leaving a finger sized hole to fill with catnip.

11.

Stuff Catnip in mid body.

12.

Whip Stitch body opening closed.

14.

Cut ears from felt, tracing around pattern. Two pink, two gray. Hot glue pink ear to gray ear. Pinch ears together and hot glue together.

16.

View of ears from back

13.

Embroider eyes and nose with 2 strands of black floss.

15.

Cut a small hole with scissors where ear will be placed. Apply hot glue to edge of ear and push into hole. Or whip stitch ear to ear mark placement.

17.

Thread needle with button thread.
Knot an inch from end. Take needle thread through to one side of nose.
Go back and forth threading thread on each side of nose. For as many whiskers as desired.
Knotting close to nose so thread won't pull out.

18.
