The wild and windy March  
Has shut his gates of sleet,  
And given us back the April  
So fickle and so sweet.  
-Alice Cary (1820-71)

It is the first mild day of March:  
Each minute sweeter than before,  
The redbreast sings from the tall larch  
That stands beside our door.  
-William Wordsworth (1770-1850)

## From the Sewing Desk

Spring and all its glory begins on March 20. It's glory usually means 70 degrees one day, A cold windy 50 degrees the next day. Well that's desert living. And most anywhere else that fickle spring has sprung. Days are getting longer and on the Spring Equinox March 20, the amount of day light and night are equal.

So nice to have Spring in the air! And new for Spring is my Gold Leaf antiqued Labels, decoupage on glass bottles or wood boxes. So pretty, with Rose poupurri added for a nice pretty touch! See photo here at the right.

Since Roses are so nice for Spring, I have made some pretty Rose Bouton wreaths. So nice for decorating a room to bring the Spring in your home.

Next, I have created some new Retro Sassy Lady decoupage wood signs to maybe crack a smile or laugh from some one. A funny gift for that Bestie. Pictured at the right in this newsletter.

So looking forward to Spring days, leaving the Winter behind, for later in the year. Enjoy the Spring holidays and festivities.

St. Patty's day is coming in March. I have a decoupage wood sign that fits right into the holiday decor. Easter will soon be here, and I also have Easter Bunny wood decoupage signs to add to your Easter decor. So much fun to celebrate the season with friends and family. Have a wonderful Spring season, and if your a crafter, keep on crafting!

## Quote for Spring

Life is mostly froth and bubble;  
Two things stand like stone:  
KINDNESS in another's trouble,  
COURAGE in your own.  
-Adam Lindsay Gordon (1833-70)

APRIL FULL MOON  
The full moon of April  
occurs on the 23rd, and  
is called the Full Pink  
moon.
